

earn cash by signing up merchants

Need some extra cash? Find businesses in your area to give a discount for the ISE Card, and earn \$5 for each one you sign up! Here's how the program works:

1. Get any business in your area to offer a discount for the ISE Card. They will need to fill out the Discount Information Form (page two of this document).
2. Send the **completed and signed** form along with your contact information (use form below) to ISE Cards, Attn: Merchants Department, 5010 East Shea Boulevard, #A-104, Scottsdale, Arizona 85254.
3. We will call each establishment to confirm the discount, then send you a check!

You can earn extra money if the merchant agrees to enhance their listing with us. This includes their company information appearing in bold, with a link to an email and web address, and their logo placed next to their listing. The charge is \$100 to them, paid by check or credit card, and you will earn \$20 of that money.

Check out our website at www.isecard.com to get familiar with our card and the discounts already available. If you have any questions, contact staff@isecard.com.

You must be an ISE Cardholder to participate. Merchants already offering a discount are not eligible.
